Poster Prints

Large prints are done on archival, water resistant inkjet paper which produces amazing photographic quality reproductions. The large photos that you see in the store were all done with this process. Posters can be created from any digital file, prints, negatives or slides.

Milford Photo can also photograph your product or large item in the Photo Studio.

16 x 20 **\$24.95**
20 x 24 **\$29.95**
20 x 30 **\$34.95**
24 x 36 **\$49.95**
30 x 40 **\$79.95**
40 x 60 **\$99.95**

(custom sizes also available)

For best results we recommend the **Pearl** finish paper which is our standard poster paper.

Glossy finish is also available at the same price.

Milford Photo also makes posters for special applications
Canvas paper for textured look and stretched prints.
Vinyl paper for outside use and banners.
Textured Linen paper for fine art.

Special papers are **double the cost** of standard posters.

Mounting is always recommended for all posters.

Prints can either be mounted on foamcore for framing or gatorboard if they are to be displayed without framing. Gatorboard is a stiffer material and will not curl like foamcore if left unframed.
